

Grammar point 3: irregular verbs

Unlike the regular verbs, there are numerous irregular verbs which completely change form.

The negative and question forms do not change, however.

Contrairement aux verbes réguliers, il existe de nombreux verbes irréguliers dont la forme change complètement.

La forme négative ne change pas par rapport aux verbes réguliers.

For example: / *Par exemple :*

BUY = bought (au preterit)

Yesterday, I bought a coat, but I didn't buy any gloves.

(Hier j'ai acheté un manteau, mais je n'ai pas acheté de gants.)
